

*Atmosphere* (ISSN 2073-4433, Impact Factor: 2.397) is an online open access journal that was first published in 2010. *Atmosphere* has published more than 3000 papers since its inception and has been indexed by SCIE since 2013 whilst also being indexed in many other important databases. *Atmosphere* adheres to rigorous peer-review and editorial processes and publishes only high quality manuscripts that address important issues related to the atmosphere. Manuscripts are peer-reviewed and a first decision provided to authors approximately 15.4 days after submission; acceptance to publication is undertaken in 2.9 days (median values for papers published in this journal in the second half of 2020). *Atmosphere* is very pleased to be formally affiliated with the Italian Aerosol Society (IAS).
